# SUMMER FAYRE

Sunday 8th July 2012

This Summer, Rotherfield St Martin is joining with The Kings Arms Inn to organise the Rotherfield Summer Fayre.

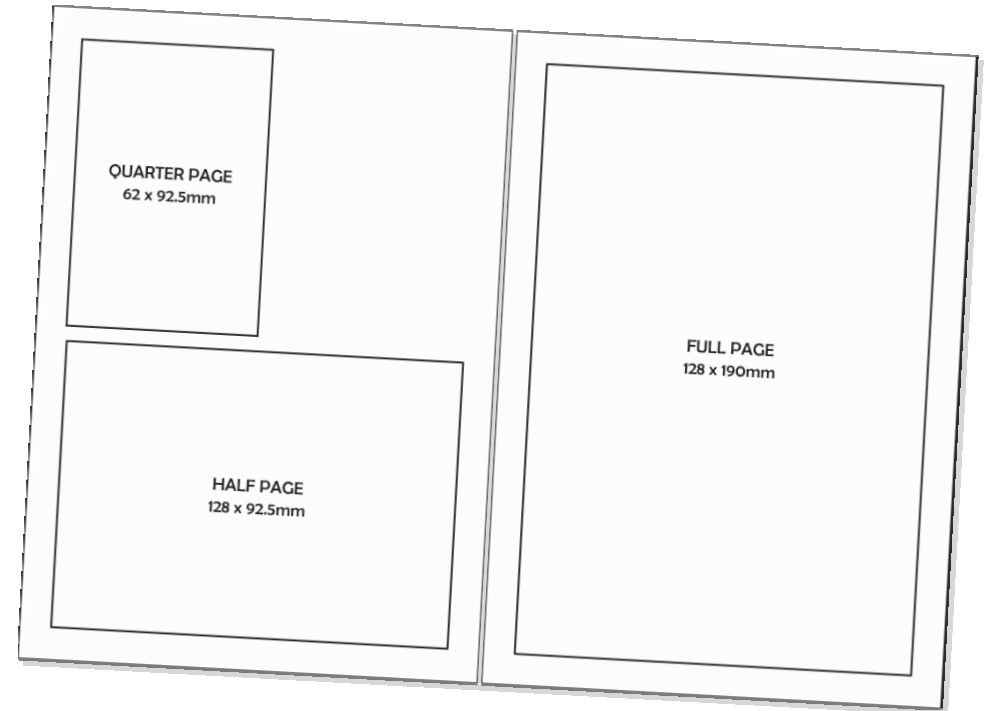

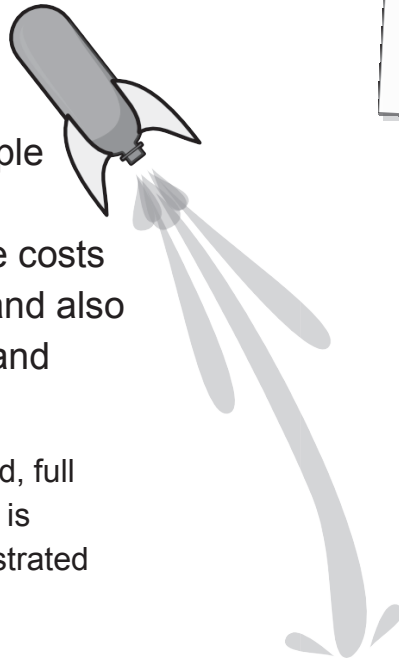

The fayre takes place on Sunday 8th July 2012, from 12 to 5pm, behind the Kings Arms.

We have invited a large number of local organisations and groups to join in, either holding stalls or running activities at the fayre. There is a website with more information at [rsf2012.weebly.com](http://rsf2012.weebly.com).

We are having a full colour event programme printed and we are inviting people to consider placing an advert in our programme. This would help us towards the costs of producing the programme for the fayre, and also promote local businesses to our members and visitors.

The programme will be A5 sized, full colour gloss. Space for adverts is available in the dimensions illustrated over on the right:

**Full page advert** 128mm wide by 190mm high for £35.00

**Half page advert** 128mm wide by 92.5mm high for £20.00

**Quarter page advert** 62mm wide by 92.5mm high for £12.50

These sizes allow for a clear white margin around the edge of each advert.
